**DURA** MAX

## FIELD OF APPLICATION

- Overhead water tanks – above ground water storage and overhead water storage application.
- Loft tanks – indoor water storage application.

## INSTALLATION INSTRUCTION

- Provide full bottom support to the tank
- Install the tank on rigid, plain and smooth surface
- Keep the lid closed all the time.
- Check all the connectors before using the tank
- Fill up the tank step by step
- Stop use of the tank, if leakage is noticed
- Do not install the tank near areas of vibration
- Do not use the tank at pressure or vacuum
